

OFFICE OF ATTORNEY GENERAL
STATE OF OKLAHOMA

ATTORNEY GENERAL OPINION
2019-106A

Kim Glazier, Executive Director
Oklahoma Board of Nursing
2915 N. Classen Blvd., Ste. 524
Oklahoma City, Oklahoma 73106

February 27, 2019

Dear Executive Director Glazier:

This office has received your request for a written Attorney General Opinion regarding action that the Oklahoma Board of Nursing intends to take pursuant to an agreed order in case 3.082.19. The licensee previously entered into an agreed order with the Board for falsifying an application (*See* A.G. Opin. 2018-179A). That order required the licensee to complete remedial education courses and pay an administrative penalty. The licensee failed to pay the administrative penalty by the due date. The Board proposes to issue a reprimand and require the licensee to complete remedial education courses and pay an administrative penalty of \$500.

The Oklahoma Nursing Practice Act authorizes the Board to impose discipline when a nurse “is guilty of deceit or material misrepresentation in procuring or attempting to procure” a license. 59 O.S.Supp.2018, §§ 567a(A), 567.8(B)(1)(a). “Deceit or material misrepresentation” includes any “false representation of facts in connection with an application for licensure.” OAC 485:10-11-1(b)(1)(A). The Board may reasonably believe that the proposed action is necessary to deter future violations.

It is, therefore, the official opinion of the Attorney General that the Oklahoma Board of Nursing has adequate support for the conclusion that this action advances the State’s policy to protect public health, safety, and welfare by ensuring that licensure applications are truthful and complete.
