The Attorney General is authorized pursuant to 74 O.S. § 20k to "award one or more such competitive grants" to eligible applicants. Specifically, monies will be directed toward strategies that assist in reducing and preventing violent crime.

Technology shall include, but not be limited to, crime-mapping software, Global Positioning Systems (GPS) technology and smart phone tools;
3. Enhancing analytical capacity through the development or expansion of analytical capabilities that focus on crime mapping, analysis of crime trends and developing data-driven strategies that focus on violent crime reduction through the employment of civilian crime analysts;

Community partners may include, but are not limited to, public and private service providers, the courts, and probation and parole services.
