

OFFICE OF ATTORNEY GENERAL  
STATE OF OKLAHOMA

ATTORNEY GENERAL OPINION  
2017-834A

Kim Glazier, Executive Director  
Oklahoma Board of Nursing  
2915 N. Classen Blvd., Ste. 524  
Oklahoma City, Oklahoma 73106

December 5, 2017

Dear Executive Director Glazier:

This office has received your request for a written Attorney General Opinion regarding action that the Oklahoma Board of Nursing intends to take pursuant to a consent agreement in case 3.126.18. The applicant made several misrepresentations on a RN endorsement application. The Board proposes to grant the endorsed application, but require the applicant to complete a remedial education course and pay an administrative penalty of \$500.

The Oklahoma Nursing Practice Act authorizes “corrective action” when a nurse “is guilty of deceit or material misrepresentation in procuring or attempting to procure” a license or is “guilty of unprofessional conduct.” 59 O.S.Supp.2016, §§ 567.8a(A), 567.8(B)(1)(a), (7). The Board may reasonably believe that the applicant’s failure to disclose required information warrants the proposed action.

It is, therefore, the official opinion of the Attorney General that the Oklahoma Board of Nursing has adequate support for the conclusion that this action advances the State’s policy to protect the public health, safety, and welfare by ensuring that licensure applications are truthful and complete.
