

OFFICE OF ATTORNEY GENERAL
STATE OF OKLAHOMA

ATTORNEY GENERAL OPINION
2018-11A

Kim Glazier, Executive Director
Oklahoma Board of Nursing
2915 N. Classen Blvd., Ste. 524
Oklahoma City, Oklahoma 73106

January 16, 2018

Dear Executive Director Glazier:

This office has received your request for a written Attorney General Opinion regarding action that the Oklahoma Board of Nursing intends to take pursuant to a consent agreement in case 6.025.18. The licensee has admitted to falsifying an application for renewal, violating resident rights on multiple occasions, and failing to notify the Board of a change of address. The licensee has requested to voluntarily surrender the license. The Board proposes to accept the voluntary surrender, and, prior to reinstatement, require licensee to complete education courses and pay an administrative penalty of \$3,000.

The Oklahoma Nursing Practice Act authorizes the Board to impose discipline when a nurse “fails to adequately care for patients or to conform to the minimum standards of acceptable nursing” in a way that “unnecessarily exposes a patient or other person to risk of harm,” “is guilty of unprofessional conduct,” or “is guilty of any act that jeopardizes a patient’s life, health or safety.” 59 O.S.Supp.2017, § 567.8(B)(3), (7-8). The Board may reasonably believe that the proposed action is necessary to deter future violations.

It is, therefore, the official opinion of the Attorney General that the Oklahoma Board of Nursing has adequate support for the conclusion that this action advances the State’s policy to protect public health, safety, and welfare by ensuring nurses meet minimum standards of professional conduct.
