

Give to the Needy, Not the Greedy

A Giving Guide for Donating to Charities

Before you donate, remember ...

Tips for giving

- ✓ Do not give cash.
- ✓ Do not give out your credit card number.
- ✓ Write a check payable only to the charity, not to an individual collecting a donation.
- ✓ Do not be pressured into giving.
- ✓ Find out if a charity and its fundraisers are registered by contacting the office of the Oklahoma Secretary of State.
- ✓ Do not give to charity because you were sent a "gift" or just to receive a "free prize."
- ✓ Do not be fooled by names that sound similar to a legitimate charity.
- ✓ Do not pay for something that you did not order.
- ✓ Beware of organizations offering to send a courier to pick up your donation.
- ✓ Take time to get as much information and learn as much as you can about the organization before you decide to make a contribution.
- ✓ Do not do business over the phone, ask for information in the mail.
- ✓ Give directly to the charity of your choice. This cuts out the middle man and ensures your money will go where you intended.
- ✓ Check out the charity with impartial sources.
- ✓ Beware of appeals that are long on emotion but short on facts.

Remember ...
It's your money.
Do your homework.
Give wisely.
