STATE OF OKLAHOMA

ATTORNEY GENERAL OPINION
2016-500A

Kim Glazier, Executive Director
Oklahoma Board of Nursing
2915 N. Classen Blvd., Ste. 524
Oklahoma City, Oklahoma 73106

August 5, 2016

Dear Executive Director Glazier:

This office has received your request for a written Attorney General Opinion regarding agency action that the Oklahoma Board of Nursing intends to take pursuant to a consent agreement in Board case 10.008.17. The proposed action is to grant the application for licensure by endorsement, however the license will be suspended for three months. Prior to reinstatement, the applicant must complete courses in nursing law and critical thinking and pay a \$1,000 fine. The applicant failed to disclose past criminal charges, including a 1989 charge for driving during suspension and six bogus check charges between 1994 and 2012.

The Oklahoma Nursing Practice Act, 59 O.S.2011 & Supp.2015, §§ 567.1–567.20, authorizes the Board to impose discipline when a nurse “[i]s guilty of deceit or material misrepresentation in procuring or attempting to procure” a license or is “guilty of unprofessional conduct,” 59 O.S.Supp.2015, § 567.8(B)(1)(a), (7). “Deceit or material misrepresentation” includes any “false representation of facts in connection with an application for licensure.” OAC 485:10-11-1(b)(1)(A). Unprofessional conduct includes “falsifying documents submitted to the Board of Nursing.” OAC 485:10-11-1(b)(3)(E). The Board’s applications require the disclosure of all criminal history so that the Board may make an informed decision on licensure of individuals with statutorily relevant criminal histories. The Board may reasonably believe that the applicant’s failure to disclose information warrants the disciplinary action in order to deter future violations.

It is, therefore, the official opinion of the Attorney General that the Oklahoma Board of Nursing has adequate support for the conclusion that this action advances the State of Oklahoma’s policy to protect the public health, safety, and welfare by ensuring information in applications for licensure is truthful and complete.
