

OFFICE OF ATTORNEY GENERAL
STATE OF OKLAHOMA

ATTORNEY GENERAL OPINION
2018-123A

Kim Glazier, Executive Director
Oklahoma Board of Nursing
2915 N. Classen Blvd., Ste. 524
Oklahoma City, Oklahoma 73106

April 13, 2018

Dear Executive Director Glazier:

This office has received your request for a written Attorney General Opinion regarding action that the Oklahoma Board of Nursing intends to take pursuant to a consent agreement in case 3.241.18. The license lapsed in September of 2016. In November of 2016, the licensee falsified an application for reinstatement by indicating that the licensee had not worked as an RN in Oklahoma while the license was inactive. The Board proposes to issue a severe reprimand, and require the licensee to complete a remedial education course and pay a \$1,000 administrative penalty.

The Oklahoma Nursing Practice Act authorizes “corrective action” when a nurse “is guilty of deceit or material misrepresentation in procuring or attempting to procure” a license. 59 O.S.Supp.2017, §§ 567a(A), 567.8(B)(1)(a). “Deceit or material misrepresentation” includes any “false representation of facts in connection with an application for licensure.” OAC 485:10-11-1(b)(1)(A). The Board may reasonably believe that the proposed action is necessary to deter future violations.

It is, therefore, the official opinion of the Attorney General that the Oklahoma Board of Nursing has adequate support for the conclusion that this action advances the State’s policy to protect public health, safety, and welfare by ensuring that licensure applications are truthful and complete.
