

OFFICE OF ATTORNEY GENERAL
STATE OF OKLAHOMA

ATTORNEY GENERAL OPINION
2018-124A

Kim Glazier, Executive Director
Oklahoma Board of Nursing
2915 N. Classen Blvd., Ste. 524
Oklahoma City, Oklahoma 73106

April 13, 2018

Dear Executive Director Glazier:

This office has received your request for a written Attorney General Opinion regarding action that the Oklahoma Board of Nursing intends to take pursuant to a consent agreement in case 3.242.18. The licensee was charged with a felony in 2012 and subsequently entered into and completed an agreed Order with the Board in 2014. In 2015, the licensee was charged with a misdemeanor, and in 2016, the licensee falsified a RN license renewal application by failing to disclose the 2015 misdemeanor charge. The Board proposes to issue a severe reprimand, and require the licensee to complete a remedial education course and pay a \$500 administrative penalty.

The Oklahoma Nursing Practice Act authorizes disciplinary action when a nurse “is guilty of deceit or material misrepresentation in procuring or attempting to procure” a license. 59 O.S.Supp.2017, § 567.8(B)(1)(a). “Deceit or material misrepresentation” includes any “false representation of facts in connection with an application for licensure.” OAC 485:10-11-1(b)(1)(A). The Board may reasonably believe that the proposed action is necessary to deter future violations.

It is, therefore, the official opinion of the Attorney General that the Oklahoma Board of Nursing has adequate support for the conclusion that this action advances the State’s policy to protect public health, safety, and welfare by ensuring that licensure applications are truthful and complete.
