

OFFICE OF ATTORNEY GENERAL
STATE OF OKLAHOMA

ATTORNEY GENERAL OPINION
2018-208A

Kim Glazier, Executive Director
Oklahoma Board of Nursing
2915 N. Classen Blvd., Ste. 524
Oklahoma City, Oklahoma 73106

June 13, 2018

Dear Executive Director Glazier:

This office has received your request for a written Attorney General Opinion regarding action that the Oklahoma Board of Nursing intends to take pursuant to a consent agreement in case 3.258.18. The licensee falsified a patient's medical record. The Board proposes to issue a severe reprimand and require the licensee to complete remedial education courses and pay a \$500 administrative penalty.

The Oklahoma Nursing Practice Act authorizes disciplinary actions when nurses violate the Act by "[f]ail[ing] to adequately care for patients or to conform to the minimum standards of acceptable nursing" in a way that "unnecessarily exposes a patient or other person to risk of harm," or engaging in "unprofessional conduct as defined in the rules of the Board." 59 O.S.Supp.2017, § 567.8(A), (B)(3), (7). The Board may reasonably believe that the proposed action is necessary to deter future violations.

It is, therefore, the official opinion of the Attorney General that the Oklahoma Board of Nursing has adequate support for the conclusion that this action advances the State's policy to protect public health, safety, and welfare by ensuring nurses meet minimum standards of professional conduct.
