

OFFICE OF ATTORNEY GENERAL  
STATE OF OKLAHOMA

ATTORNEY GENERAL OPINION  
2018-353A

Eric Ashmore, Executive Director  
State Board of Behavioral Health Licensure  
3815 N. Santa Fe, Suite 110  
Oklahoma City, OK 73118

August 30, 2018

Dear Executive Director Ashmore:

This office has received your request for a written Attorney General Opinion regarding action that the State Board of Behavioral Health Licensure intends to take with respect to Licensed Professional Counselor (“LPC”) applicant, R.L. The applicant practiced supervised counseling in violation of Board rules. The Board proposes to deny the application for violating the rules of professional conduct.

The Licensed Professional Counselors Act authorizes the Board to deny any license of a person who engages in “unprofessional conduct as defined by the rules established by the Board[.]” 59 O.S.Supp.2017, § 1912(A)(5). Board rules state that the Board must receive “[v]erification of Oklahoma Legal and Ethical Responsibilities Examination passing score” before an applicant can conduct supervised practice. OAC 86:10-11-1(2). Further, “substantiation of any of the following items related to the applicant may be . . . the basis for the denial . . . of licensure . . . (1) Lack of necessary skills and abilities to provide adequate services; (2) Misrepresentation on the application or other materials submitted to the Board; (3) A violation of the LPC Rules of Professional Conduct.” OAC 86:10-5-2. The Board may reasonably believe that the proposed action will deter future violations.

It is, therefore, the official opinion of the Attorney General that the State Board of Behavioral Health Licensure has adequate support for the conclusion that this action advances the State’s policy of protecting public from unprofessional conduct by an applicant.
