

OFFICE OF ATTORNEY GENERAL
STATE OF OKLAHOMA

ATTORNEY GENERAL OPINION
2018-265A

Chelsea O. Church, Executive Director
Oklahoma State Board of Pharmacy
2920 N Lincoln Blvd, Suite A
Oklahoma City, Oklahoma 73105

July 16, 2018

Dear Executive Director Church:

This office has received your request for a written Attorney General Opinion regarding action that the State Board of Pharmacy intends to take with registrant T-21831. The Board found that the registrant was terminated from his position for failing a drug test. The Board gave notice to the registrant of the proceedings, but the registrant failed to appear. The Board proposes to revoke the registrant's pharmacy technician permit.

The Oklahoma Pharmacy Act authorizes the Board to regulate the practice of pharmacy. 59 O.S.Supp.2017, § 353.7. Specifically, "[t]he State Board of Pharmacy may . . . [r]evoke permanently or suspend any certificate, license or permit issued pursuant to the Oklahoma Pharmacy Act or reprimand or place on probation any holder of a certificate, license, or permit who . . . violates any provision of the Uniform Controlled Dangerous Substances Act" or "conducts himself or herself in a manner likely to lower public esteem for the profession of pharmacy." *Id.* § 353.26(A)(1)(b), (e). The Uniform Controlled Dangerous Substances Act states that "[i]t shall be unlawful for any person knowingly or intentionally to possess a controlled dangerous substance." 63 O.S.Supp.2017, § 2-402(A)(1). The Board may reasonably believe the proposed action is necessary to deter future violations.

It is, therefore, the official opinion of the Attorney General that the State Board of Pharmacy has adequate support for the conclusion that this action advances the State's policy to protect public health, safety, and welfare.
